Better e-Learning for All
"Better-e"

Newsletter 5

Better-e is a KA2 Strategic Partnership project funded by European Commission under ERASMUS+ Adult Education Programme. Partner institutions from five EU countries (TR, PT, GR, IT, UK) are responsible for the development of the project.

The Project aims to create better e-learning by reducing social barriers, to empower people through adult education, to help e-learning providers to overcome the problems of e-learning environments in adult education in Europe in general and the project partners' countries.

KA2 Strategic Partnership Project

The Better-e Partnership presents its 5th Newsletter

The 5th Meeting (Closing Meeting) of Better-e Project started with the participation of partner countries' delegates in November, 2017 in Adana, Turkey.

Çukurova University, as the host partner, made a welcome speech and thanked to the partners for their participations into the meeting.

The partners reviewed the agenda and read the Braga's minutes previously released by UMINHO, so the document was officially approved by the partnership.

IO1, IO2, IO3, IO4, IO5, IO6 and IO7 intellectual outputs were reviewed and agreed by the partners and they were uploaded in both ERASMUS+ Project Results page and Better-e website.

Partners discussed about the topics which had to be worked under the Project in order to finalise "Better-e Project".

After the discussions, it is agreed that;

- ✚ The draft tables of financial issues will be sent to the partners by the coordinator until the last week of November.
- ✚ The coordinator will be sent the required documents related with financial issues for Final Report by each partner until the end of December.
- ✚ If all documents are provided by each partner, the coordinator will apply for the Final Report form.

✚ The Closing Minutes Report and the fifth Newsletter will be drafted by Cukurova University until the first week of December, 2017.

✚ Quality Assurance Plan will be formed.

At the end of the meeting, Cukurova University delivered the participants' certificates and thanked the partners for their joining into the meeting and sharing their experiences and collaborations in the consortium throughout the project.

In this 5th Better-e Newsletter we provide a special focus on the Turkish Partner, Çukurova University.
